GIVES YOU ALL OF THESE FEATURES

- **PULL—PRESS—CLICK** . . . and you've loaded it, as simply and as quickly as that. You can't close your camera until the film is properly loaded.
- **SPECIALLY DESIGNED "NO JAM" GATE** . . . presses film into correct operating position automatically.
- **NO SPROCKETS** . . . means simplified loading. No torn film edges . . . no projector trouble.
- **SIMPLE FINGER-TIP OPERATING BUTTON** . . . guarantees steady, easy-flowing

picture action. You can get into the picture yourself by merely "locking" the release button which permits the camera to run continuously.

- **VIEW FINDER** . . . etched for telephoto lens —helps you center subject accurately.
- **F/2.5 LENS**, Coated, color-corrected, click-stop, universal focus, built-in sunshade.
- **ACCESSORY LENSES** available for sports, indoors, wild-life.

● **FOOTAGE COUNTER** . . . clearly marked, easy to read. Gives quick accurate reading of amount of film exposed.

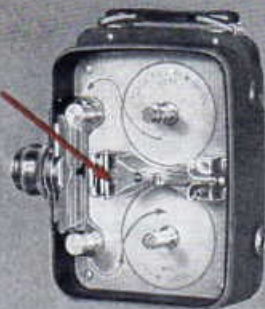

● **FILM SPEED DIAL** . . . permits setting to any one of 4 film speeds to fit every picture-taking occasion—including slow motion.

● **EXPOSURE GUIDE** . . . built into side of your camera. Never a doubt as to correct setting of your lens.

NEVER HAVE YOU SEEN A CAMERA WITH FEATURES LIKE THIS!

**Never Has Such Value Been Offered
In A Camera Before . . . Compare It
To Any Camera — At Any Price . . .**

If you could have designed the movie camera you wanted . . . the DeJUR Citation is the camera you would have created.

Now—here's your camera . . . exactly as you wanted it . . . BUT, wonder of wonders—it costs far less than you would have imagined—for DeJUR has stepped up its precision manufacturing skill to produce the finest camera at the price that makes it the finest value ever offered.

Examine each feature carefully. Then look at the price again. Now compare it with *any* other camera at *any* price. Some will be lower in price, some will be higher—but in none will you find the inherent quality and the value of the Citation. That's why if you want a precision camera to produce the best pictures you've ever taken . . . your choice must be the DeJUR Citation. For here you'll find a lifetime of movie making pleasure with the camera that will give you a pride in possession . . . backed by a lifetime guarantee.
